Health service is very complex and even more since the recent enactment of federal health legislation. We were reminded to use extreme care in reviewing health benefits and seek professional advice when needed. Always rely on reputable sources for information and advice. When in doubt, seek assistance from those you know and trust. Kern County Aging and Adult Services is a useful source of information at 1-661-868-1000 or 1-800-434-0222.
